Omission of major drugs from Drug price Control Order

4039. SHRIMATI MALTI SHARMA:
SHRI RAJ NATH SINGH:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that major drugs have been omitted from the laster 'Drug Price Control Order';

(b) whether curtailing the list of the controlled drugs has led to a sharp increase in the prices of a number of medicines in the country; and

(c) if so, whether Government propose to reconsider their decision?

THE MINISTER OF STATE OF THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SHEES RAM OLA): (a) Selection of drugs for price control has been done on the basis of the criteria, as laid down in the 'Modificaitons in the Drug Policy, 1986'.

On the basis of data for the year 1989-90, drugs with a turnover of Rs. 400 lakhs or more, having market competition and drugs with a turnover of Rs. 100 lakhs or above but below Rs. 400 lakhs, having no monopoly situation have, therefore, not come under price control.

(b) Against 142 drugs in price control under DPCO'87, presently there are 76 drugs in price control under DPCO'95. However, these 76 drugs include 21 drugs which were having very high turnover but were outside price control earlier. Studies conducted from time to time after coming into force of DPCO, 1995 indicate that increase of medicine price is generally not across the board and abnormal. There is also decrease in prices in some cases.

(c) Reconsideration is dependent upon availability of updated data as provided for in para 22.7.2 (v) of 'Modifications in Drug Policy, 1986'.

Non-utilisation of funds allocated for Mid-day meals scheme

(b) if so, what are the details thereof;

(c) what are the details of funds allocated to Kendriya Vidyalayas and what is the utilisation percentage; and

(d) what are the reasons for non-utilisation and what are the steps contemplated for 1996-97 to ensure full utilization of allocated funds?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MUHI RAM SAIKIA): (a) to (d) The initial allocation under the Mid-day meal Scheme, launched with effect from 15th August, 1995, was Rs. 611.79 crores in 1995-96. However, releases to the Food Corporation of India upto 31.3.1996, which supplies foodgrains to the States/UTs were Rs. 441.38 crores. The shortfall was due to the reason that the States took time for adopting and operationalising the scheme.
